Requesting ~~me~~ instructions as to whether the Civil Regulations may not be applied in the matter of leave allowance & if not to furnish extract of the Army Regulations Regulating the pay & allowances of the men on leave.

Submitted. — I think it is quite wrong to draw the pay of the men on leave — I do not know what is being done in this matter at present — or when the pay is Repd when drawn — This I think should be ascertained from the Chief Commander before the matter is referred to Government. In case — The apparently of finding the Names of the men on leave can be done — even by direct all expenditure on this account being met from the Chanda Fund and Repaid on the return of the absentees from leave DE 16/12/04

Sir -

I have the honor to state that in the Pay bills & the Establishment & the Mayrone Imperial Service Regiment, full pay is claimed for the absentees on leave on the sick certificate and on furlough, contrary to Article 222 & the Mayrone Service Regulations, and on a reference made to the Commanding Officer & the Regiment by this office, he explains in his No. 202 dated 64 18th November 1904 (a copy & which is herein enclosed for reference) that leave on furlough and on Medical certificate granted to officers, Non-Commissioned Officers and Men is not governed by Article 222 & the Mayrone Service Regulations, and that full pay has always been disbursed to men who have availed & furlough or on sick leave, citing as authority paras 255 to 266 & the Manual & standing orders & the Mayrone Imperial Service Lancers, which does not limit the rate & pay on leave

allowance they are entitled to while on such leave.

I request therefore that you will be so good as to favor me with instructions as to whether the Civil Regulations may not be applied in the matter of leave allowances, and if not, to furnish Extracts of the Army Regulations regulating the Pay and allowances of men on leave for sale in the Arsenal Register.

I have the honor to be
Sir
Your most obt Servant.

Orders regarding Officers' pay.

1. The allowances for Adjutant, Quarter Master and Riding Master will be drawn by the Jamadars holding the appointment.

Officers will, in future, be promoted reginently as vacancies occur, according to fitness, and will no longer receive increase of grade pay by mere length of service in any grade.

Officers proceeding on leave of absence (other than ten days' casual leave) will forfeit the allowance (if any) of their regimental appointment, and merely draw the grade pay of their rank.

When the allowances of a regimental appointment become thus available they will be drawn by the officer who officiates in the vacant appointment.

An officer is not permitted to draw the allowances of two regimental appointments.

When therefore an officer officiates in an appointment with higher allowances than his own, he must relinquish the allowances of his permanent appointment to the junior appointed to act in his place.

Absence on leave of a Regimentdar or Risaldar, or a Jamadar who is either Adjutant, Quarter Master or Riding Master, will thus invariably give a temporary increase of pay to a certain number of Junior Officers, the number so benefited will depend on the regimental position of the absentee.

Orders re *Mule Allowance.*

When an Officer, Non-Commissioned Officer or Sowar proceeds on leave the allowance for a mule will be taken (under regimental arrangements) to pay for up-keep of mule and attendant. Half the balance saved will be credited to each Jhoorawallah.

The stoppage for Mule Chanda will be Rs. 1-8-0 per mensem per mule. See Chanda Rules.

The allowance for feed will cease on death of a mule until its replacement from the Mule Chanda.

The syce's pay at Rs. 5 per mensem will be continued till the end of the month in which the death occurs.

The saddle, jhools, head a stall, line gear, of the mule will be supplied by the Sowars, out of the allowance under regimental arrangements.

The first issue of the equipment being supplied free by Government with the mule.

When the Regiment proceeds on service the pay of the mule syces and the rationing of the mules will be taken over by Government and the mule allowance will cease.

GOOD CONDUCT PAY.

2. In addition to the rates of pay set forth above, Government are pleased to sanction good conduct pay for Non-Commissioned Officers and Sowars on the following terms:—

To Non-Commissioned Officers above the grade of Lance Dafadars—

After	2 years' good service in the grade	...	Re. 1 per mensem.
Do	4 do	...	Rs. 2 do
Do	6 do	...	„ 3 do
Do	10 do	...	„ 4 do

To Lance Dafadars and Sowars —

After	3 years' good service	...	Re. 1 per mensem.
Do	6 do	...	Rs. 2 do
Do	10 do	...	„ 3 do

The following conditions and rules regulate the receipt, forfeiture and restoration of good conduct pay:—

Receipt of Good Conduct Pay:—

(*a*) A necessary condition of the receipt of any rate of good conduct pay is that the Sowar has not, within two years preceding the completion of his qualifying service, been convicted of any offence by a Court Martial, or been twice entered in the Regimental Defaulters' Book as having been awarded any of the following punishments:—

(i) Any award of imprisonment;

(ii) Confinement to Lines of 15 days or more.

Service under 16 years of age and service until the full donation on account of Chanda has been paid up, does not count towards good conduct pay.

(*b*) A Sowar shall not be advanced to a higher rate of good conduct pay unless he shall have been in the uninterrupted receipt of the next lower rate for two years immediately preceding his claim. But a re-enlisted Sowar, allowed to count his previous service, will at once be allowed the rate of good conduct pay to which his total service may entitle him.

Forfeiture of Good Conduct Pay—

(*a*) On conviction of any disgraceful conduct, a Court Martial may, in addition to any other punishment which it is empowered to award, sentence the offender to forfeit all advantages as to good conduct pay which might otherwise have accrued from the length or nature of his former service, or to forfeit all such advantages absolutely, whether past or future.

(*b*) Good conduct pay shall not necessarily be forfeited on the infliction of a minor punishment, but forfeiture thereof may be awarded as substantive punishment either by order of the Commanding Officer or by sentence of Court Martial as the case may be.

(*c*) Forfeiture of good conduct pay may be awarded in addition to any other minor punishment.

(*d*) Whenever a person in receipt of good conduct pay is convicted by a Court Martial, his good conduct pay shall cease.

(*e*) Forfeiture of good conduct pay when awarded by a Commanding Officer is restricted to one rate of such pay only for each offence recorded in the Regimental Defaulters' Book.

Restoration of Good Conduct Pay to a Non-Commissioned Officer—

A Non-Commissioned Officer reduced to the ranks, but not sentenced forfeiture of advantage accruing from former service, will receive the rates of good conduct pay of such service in addition to his pay as Sowar subject only to reduction of one rupee a month for one year from the date of the offence for which he may have been reduced, or of the execution or the termination of the sentence passed upon him for such offence.

Restoration of Good Conduct Pay to other ranks—

(*a*) A Sowar who has forfeited his good conduct pay either by award of a Court Martial or as a consequence of conviction by a Court Martial or by order of his Commanding Officer, must serve for one year without an entry in the Regimental Defaulters' Book before he will be eligible for restoration to each rate he may have forfeited.

(*b*) A Sowar who, within twelve months of any previous forfeiture, is again convicted of an offence requiring entry in the Regimental Defaulters' Book, must serve for two years from date of original forfeiture, without another entry before he can claim restoration of the reward.

(*c*) The period of one or two years approved good conduct shall count, in the case of a Commanding Officer's award, from date of such award, if it shall not have been accompanied by imprisonment, and otherwise from date of release; and in the case of forfeiture having been awarded by Court Martial, or been consequent on a

conviction, from date of sentence when corporal punishment or imprisonment is remitted, and otherwise from date of execution or the termination of the sentence.

STATEMENT OF CONDITIONS OF ENHANCED PAY.

3. As regards kit, it must be clearly understood as a condition of the present enhanced rates of pay, that the entire cost of equipment, line gear, saddlery, etc., will be borne by the men, with the exception of the following kit, *viz* :—

The Chief Commandant
Mysore State Troops.

Sir,

With reference to the enclosed copy of letter from the Comptroller of Mysore I have the honor to state that I have not been able to find any rule, either in the Standing Orders or in the Mysore Service Regulations authorizing the pay of absentees being drawn and retained in the Regimental Office for disbursement on their return from leave.

It is therefore necessary that some ~~rule~~ rule should be framed authorizing the present procedure of drawing the pay of the absentees.

In the British Service the marginally noted rules are in force which with some slight modifications could be made suitable for the Mysore Troops. Kindly let me have your opinion about this.

× Army Regulations Vol I Part II 227 & 228

The Object to be kept

View is that no unnecessary funds should be left in the hands of the Squadron Commanders -

This I think could be obviated by the horses of the absentees being fed at the expense of the Chanda Fund and some advances made from the Regimental permanent Imprest, to their families if left behind and recouped on the return of the absentees by the submission of Supplemental pay bills to the Comptroller for audit and pay. ment.

This rule is also applicable to native officers of the rank of subadar-major. The holders of all other appointments specified in articles 68-69 (excepting schoolmasters-see article 229) when absent on leave or i hospital for a period exceeding thirty days, forfeit the full staff allowances or extra-duty pay, unless no other are appointed to act for them when they may continue to draw such allowances.

SERIAL No. 3

From

Lieut-Col. J. Desaraj Urs,

Chief Commandant, Mysore State Troops.

To

Lieut-Col. R. G. Jones, I. A.,

Sir

With reference to your letter No.2044 of 23rd December 1904, regarding the pay drawn in the British Service, for the men on leave, as per articles 227 & 228 of the Army Regulation India Vol.I Part II, I have the honor to invite your kind attention to article 234 also,(of the above) wherein it is stated that full pay may be drawn, for the men on leave on Medical certificate or furlough.

I am of the same opinion, to grant full pay, to the men of the Mysore Troops also, while on leave &c.

Regarding the undisbursed amount of pay of absentees, retained in the Regimental Offices, I have to state that under article 63 of the Civil Account Code Vol.I, the pay should not be placed in deposit, after the lapse of the month for which it is drawn. But the Commandant of the Local Service Regiment on a reference being made to him, reports in his No.166 of 7th December 1904, that it would cause a great inconvenience and confusion to draw pay and Travelling Allowance of absentee on leave &c, on supplimental bills, at every time the individuals present themselves to receive the same.

Under these circumstances, I would propose, to draw the pay of absentees also and keep the amount in the Regiments for 3 months after such men are due to duty. If they do not present themselves to receive their pay within that time, the amount left in the Regiments may be credited to Government.

The Standing Order Part II, seems to correspond my views

Sir,

With reference to your letter No 6,309/A.C.754 of the 19th December last I have the honor to enclose for your information copies of the marginally noted correspondence (with copies of the Articles of the Army Regulations, India, Vol I Part II, quoted therein) from which you will see that the Chief Commandant is still of opinion that the full pay of the absentees on leave etc should be drawn and retained at Regimental Head Quarters and suggests that if the pay drawn is not claimed within a period of 3 months it should be recredited to Govt.

This Office letter No 3,044 of the 22nd December 1904.
Chief Commandant's letter No 1956 of the 2nd February 1905.

I notice in the Mysore Service Regulations vide article 194, that officials holding non-gazetted appointments are permitted when going on leave to draw their pay in advance.

Could an arrangement of this kind be recommended in the case of the Military men to prevent money being drawn and retained in the Regiment.

I shall be glad to have your opinion about this with view to the matter being referred to Govt for orders

I have the honor to be,

Sir,

Your most obedient Servant,
